NOTICE OF LATE PAYMENT OF ANNUAL OPERATION FEE VIA: CERTIFIED MAIL WITH RETURN RECEIPT

TO: User of Title V Air General Permit

Department records indicate that during calendar year **2004** you operated a facility which is a source of air pollution. You have also claimed eligibility for this facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility is required under Section 403.0872, Florida Statutes (F.S.), to pay an annual operation fee, as established by the Department in Rule 62-213.205, F.A.C. You are also required, under Rule 62-213.300(2)(c)2, F.A.C., to notify the Department in writing of any change in facility status.

The annual operation fee is \$50 for calendar year **2004**. A notice of your obligation to pay the annual operation fee was sent to you by certified mail, along with an invoice form and instructions. This notice (with the enclosed replacement invoice) is being sent as a reminder.

The Department has not received your annual operation fee. Accordingly, in accordance with Rule 62-213.205(1)(g), F.A.C., the Department is assessing a 50% penalty against your facility, for a total fee of **\$75.00** for calendar year **2004**.

Under Rule 62-213.205(1)(g), F.A.C., failure to timely pay the required annual operation fee, penalty, or interest constitutes grounds for revocation of your Title V Air General Permit. If the fee and penalty are not promptly paid, the Department will proceed to revoke your facility's Title V Air General Permit and will also seek interest in accordance with Section 220.807, F.S.

To submit your \$75.00 payment, please follow the directions on the enclosed invoice form. If you have any questions, you may call Bruce Thomas at 850/921-7744 or Sandra Bowman at 850/921-9583. Thank you for your prompt attention to this matter.

To: Users of Title V Air General Permits

Records in the Division of Air Resource Management indicate that you operate a source of air pollution and that you have claimed eligibility for your facility to operate under a Title V Air General Permit pursuant to Chapter 62-213, Florida Administrative Code (F.A.C.).

As a source of air pollution subject to Title V of the federal Clean Air Act, your facility is required under Section 403.0872, Florida Statutes (F.S.), to pay an annual operation fee as established by the Department in Rule 62-213.205, F.A.C.

Your annual operation fee is \$50 for calendar year **2004**. A notice of your obligation to pay the annual operation fee was sent to you by first class U.S. mail, along with an invoice form and instructions. If you have already submitted the annual operation fee in response to that request, please disregard this letter.

If you have not yet submitted the annual operation fee, this notice (with the enclosed replacement invoice) is being sent in accordance with Rule 62-213.205(1)(g), F.A.C., as a reminder that any annual operation fee not postmarked by **March 1, 2005**, may be subject to a 50% penalty, plus interest computed in accordance with Section 220.807, F.S. In addition, please be aware that under Rule 62-213.205(1)(g), F.A.C., failure to timely pay any required annual operation fee, penalty, or interest constitutes grounds for revocation of the Title V Air General Permit.

To submit your fee payment, please follow the directions on the enclosed invoice form. If you have any questions, you may call Bruce Thomas at 850/921-7744 or Sandra Bowman at 850/921-9583. Thank you for your prompt attention to this matter.

Sincerely,
