Dear Sir or Madam:

I have purchased Eastbay Dry-cleaning Inc as of 8/15/08; I was the general manager for the past four years. I have all compliance programs already in place. During my 2009 inspection I mentioned to my inspector that I had purchased the corporation and that I was the new president. I was unaware that I would need to surrender my air permits and I paid the \$100.00 fee to renew them in December. Being that this was just an officer change and not a new corporation I thought that that would be OK please advise me on this situation. In anticipation of the correct answer I have left section 7 blank.

Sincerely,

A handwritten signature in black ink, appearing to be "H. Wolfson", enclosed within a hand-drawn oval.

Howard Wolfson  
President
