Subject: Delstar Cleaners LLC, dba Delstar Cleaners, 1030493, shutdown

A copy of a letter, addressed to you, was received on 3/24/10 requesting to rescind their permit. The facility claims they discontinued perc use in November 2009. An inspection on 2/26/10 confirmed unit was shutdown. The inspection comment was:

2/26/10 - The facility no longer operates the dry-dry machine. It was disconnected/drained of perc on November 6, 2009 and will be dismantled later for scrap. The company will rescind its current permit and plans to buy and operate Palms Cleaners. Palms Cleaners is currently for sale.
