Re: Dry Clean City Palm Harbor, LLC, 1030507-001-AG

Mr. Dibble:

Based on the October 30, 2008 inspection at Dry Clean City Palm Harbor, LLC, located at 35559 U.S. Highway 19, Palm Harbor, FL this facility is shutdown for Perchloroethylene dry-to-dry operations. Inspection findings indicate that:

- 1) Neither the facility owner nor any facility's representatives were present at the time of the inspection.
- 2) Air Quality is unaware of any correspondence requesting the permit be rescinded.
- 3) Perchloroethylene equipment is no longer on the premises.
- 4) The building space previously used by this facility for its operations is now vacant.
- 5) Air Quality intends to deactivate this facility from its tracking files and awaits confirmation from your office that it has been deactivated in the ARMS system.

Should you have any questions relative to this facility's operations please contact the assigned inspector Shea Jackson. If you wish to contact me directly, please call 727-464-4422, or email at mmccann@pinellascounty.org.
