**Subject:** Crematory

Mr. Dibble,

As we discussed earlier, I am emailing to let you know the serial number of the crematory machine. I know you will recall that at the time of our application, we didn't have the number due to the machine not being built yet. That serial number is 1091211.

Also, I am requesting a minor administrative change. I need to add **Seminole Crematory, Inc.** as site name for the crematory. As I mentioned to you, our final inspection is tomorrow morning and I am concerned that they will take issue with the site name not being on there. If you would be so kind as to make that change for me and email back to me I would certainly appreciate it.

Thank you so much for your assistance.
