Dear Mr. Dibble,

Please accept this letter as a request to inactivate my Perchloroethylene Dry Cleaner Air General Permit Registration. Our drycleaning plant has not operated with PERC as our dry cleaning solvent since April 14th, 2008. At that time, all PERC was removed from the machine. On that same date, the drycleaning machine was taken away to be used as scrap metal by One Stop Drycleaning Machinery, owner Mr. Danny Echt. On April 24th, 2008, MCF Systems Atlanta, Inc. removed the waste from our plant (ref: Manifest #000546636).

Please feel free to contact me if you have any questions or concerns. Thank you so much for your assistance and attention to this matter..

Kind regards,

Tanya Tavares
