### **Material Usage Rates**

If this is an **initial registration** for a surface coating operation, provide an estimate of the average quantity of volatile organic compounds in all coatings (solvents and thinners) expected to be used on a daily basis.

*none*

If this is a **re-registration** for an existing surface coating operation, provide the highest monthly average of the daily quantity of volatile organic compounds in all coatings (solvents and thinners) used in the last five years. Indicate the month and year during which this usage occurred.

### **Description of Facility**

Below, or as an attachment to this form, provide a description of the surface coating operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

*Dealer Enhancement, Inc. is a mobile auto body paint repair business where small sections of a vehicle are painted on site at various car dealership locations. Paint strippers containing methylene chloride (meCl) are never used. The materials used for paint work and clean up do NOT contain any of the regulated five HAPs. All paint guns used are HVLP guns. We are applying for the Air General Permit so as to go above and beyond what is required for our business to continue operating without interruption anywhere in the State of Florida.*

### **Helpful Definitions**

**"Coating"** - The application of a protective, decorative, or functional film to a surface.

**"Department"** or **"DEP"** - The State of Florida Department of Environmental Protection.

**"Emissions Unit"** - Any part or activity of a facility that emits or has the potential to emit any air pollutant.

**"Facility"** - All of the emissions units which are located on one or more contiguous or adjacent properties, and which are under the control of the same person (or persons under common control).

**"Owner"** or **"Operator"** - Any person or entity who or which owns, leases, operates, controls or supervises an emissions unit or facility.
