

F&A RECEIPT 530412
JAN 23 2012

NONMETALLIC MINERAL PROCESSING PLANTS (CRUSHERS)
AIR GENERAL PERMIT REGISTRATION FORM

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

RECEIVED

JAN 25 2012

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection of local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

DIVISION OF AIR
GENERAL PERMIT
RESOURCE MANAGEMENT

7775052-004

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): _____
- No air operation permits currently exist for this facility.

General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)
Woodruff & Sons, Inc.

Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)
Rock Crusher # 2

Facility Location (Provide the physical location of the facility, not necessarily the mailing address.)
Street Address: 6450 - 31st Street East
City: Bradenton County: Manatee Zip Code: 34203

Facility Start-Up Date (Estimated start-up date of proposed new facility.)(N/A for existing facility)
n/a

Owner/Authorized Representative

Name and Position Title (Person who, by signing this form below, certifies that the facility is eligible to use this air general permit.)

Print Name and Title: Donald P. Woodruff, Vice President

Owner/Authorized Representative Mailing Address

Organization/Firm: Woodruff & Sons, Inc.

Street Address: PO Box 10127

City: Bradenton

County: Manatee

Zip Code: 34282-0127

Owner/Authorized Representative Telephone Numbers

Telephone: 941.756.1871

Fax: 941.755.1379

Cell phone (optional): n/a

Facility Contact (If different from Owner/Authorized Representative)

Name and Position Title (Plant manager or person to be contacted regarding day-to-day operations at the facility.)

Print Name and Title: Rick Losiniecki, Yard Supervisor

Facility Contact Mailing Address

Organization/Firm: Woodruff & Sons, Inc.

Street Address: 6450 31st Street East

City: Bradenton

County: Manatee

Zip Code: 34282

Facility Contact Telephone Numbers

Telephone: 941.756.1871

Fax: 941.755.1379

Cell phone (optional): n/a

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Type of Facility

Check one:

Stationary Facility

Relocatable Facility

Type(s) of Precautions Used to Prevent Unconfined Emissions

Check all that apply for the management of roads, parking areas, stock piles and yards:

Maintain Roads/Parking/Yards

Use Water Application

Use Dust Suppressant

Remove Particulate Matter

Reduce Stock Pile Height

Install Wind Breaks

Check the location of spray bars at the nonmetallic mineral processing plant:

Feeders

Entrance to "Crusher"

Exit of "Crusher"

Classifier Screens

Conveyor Drop Points

Description of Reasonable Precautions

Below, or as an attachment to this form, provide details of all types of reasonable precautions to be used to prevent unconfined emissions at the facility.

Rock Crusher No. 2

Woodruff & Sons, Inc. will at all times take reasonable precautions to prevent their rock crushing equipment and associated facilities from emitting unconfined particulate matter.

These precautions will include:

- 1) Maintaining and operating all water spray bars required by the Gernal Permit.
- 2) Watering roads as necessary to prevent vehicular traffic from entraining dust.
- 3) Posting and enforcing a 5 miles per hour (mph) speed limit in all areas.
- 4) Performing regular maintenance of roads, yards and parking areas to prevent accumulation of dust.
- 5) Training equipment operators to minimize drop heights during loading and unloading operations.
- 6) Configuring conveyors and stackers so that transfer point drop heights are minimized.
- 7) Routing exiting traffic through a tire wash pit to remove dust from vehicle tires before they enter paved roadways.

* SEE ATTACHED E-MAIL DATED 02/09/12
AS AN ADDENDUM TO THIS REGISTRATION.

Description of Facility

Below, or as an attachment to this form, provide a description of the nonmetallic mineral processing operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

This facility, known as Rock Crusher No. 2, bears Woodruff & Sons Equipment ID No. 1418 and is covered under General Permit 7775052-003-AG. The main unit bears Seral Number 33D420010856. It consists of an Eagle Model 1400 Crusher and its associated conveyor belts and stackers. The unit is relocatable and reconfigurable. Rock and waste concrete to be crushed are placed into the crusher by backhoe or front end loader. The oversize material is returned to the entrance by conveyor and the properly sized material is either sent to a screener or to storage. The unit is sometimes located in a yard that also has a permitted soil cement plant present.

Subject: RE: Maximum material per hour 500 TPH

Good morning to you also Dick – Thanks again for all your help.

Requested info. For unit # 2 –

1. Max. TPH 500
2. HP – 470
3. Manufacturer – Cummins
4. Model # - KTA19P
5. 37122435
6. Fuel type - Diesel

Thanks again and have a safe and good day!

Bill

Subject: RE: Maximum material per hour 500 TPH

Good morning Bill! Hope all is going well.

I'm sorry to bother you again, but I am going to need the same type of information for the **Woodruff Rock Crusher Unit #2** (Facility ID# 7775052), that I requested yesterday for Woodruff's unit #1.

Thank you for your assistance.

Have a great day!

Sincerely,

Dick
