RE: Change of Control on Cinerator Facility

Dear Mr. Robbins:

Your inspector, Mike Thomas, was at our Cremation Tribute Center today and informed us that we needed to notify you of an Administration Correction to our permit.

The owners of Anderson-McQueen Company were Margaret McQueen, William B. McQueen and John McQueen. However, as of December 15, 2010, Anderson-McQueen Company bought back the outstanding shares of both Margaret McQueen and William B. McQueen thereby leaving me as the sole remaining owner of Anderson-McQueen Company.

On December 20, 2010, we notified the Department of Financial Services, Division of Funeral, Cemetery and Consumer Services of the change in ownership and are awaiting our new license from the Division. Once we receive it, we can forward to you if needed for your records.

Please make note that I am now the authorized representative for the company. My complete information is listed below. Also, John A. Anders is my manager on site at the crematory facility.
