Tyndall Air Force Base, Florida 32403-5014

Re: Project No. 0050024-018-AC  
U. S. Air Force, Tyndall Air Force Base  
Minor Source Air Construction Permit  
New Paint Booth 1144 and Changes for 016-AF

Dear Lieutenant Colonel Martin:

On June 1, 2016, you submitted an application requesting the addition of a new paint booth to existing emissions unit (EU) 010 and changes to the information in Permit No. 0050024-016-AF for the following items: updates the external combustion units (EU016) and corrections to the emissions unit numbers (from EU017/EU018 to EU019/EU020) for the existing emergency generator engines. The existing facility is located in Bay County at 119 Alabama Avenue, Tyndall Air Force Base, Florida.

Enclosed are the following documents: the Written Notice of Intent to Issue Air Permit; the Public Notice of Intent to Issue Air Permit; the Technical Evaluation and Preliminary Determination; and the Draft Permit with Appendices. The Public Notice of Intent to Issue Air Permit is the actual notice that you must have published in the legal advertisement section of a newspaper of general circulation in the area affected by this project. If you have any questions, please contact the project engineer, Deborah Moore, at (850)595-0624 or by email [Deborah.L.Moore@dep.state.fl.us](mailto:Deborah.L.Moore@dep.state.fl.us).

Sincerely,

A handwritten signature in blue ink that reads "Andrew Joslyn".
