REQUESTED**

RE: Transfer of Air Permit No. 0112710-003-AO Issued February 7, 2014 to Lauderdale Marine Center, 2001 S.W. 20<sup>th</sup> Street, Fort Lauderdale, Florida, 33315.

Dear Mr. Paul:

On July 7, 2015, we received your request for a Transfer of Ownership/Transfer of Permit for the above-referenced facility. As requested, the permit is changed as follows:

**FROM:** Mark Pratt, General Manager, Lauderdale Marine Center.

**TO:** Thaddeus A. Paul, Vice President, Lauderdale Marine Center,

This letter must be attached to the original permit and becomes part of that permit. The remaining provisions of the permit, including the expiration date, are not changed by this action and remain in effect.

A person whose substantial interests are affected by the Pollution Prevention Division (PPD) proposed permitting decision may petition for an administrative hearing in accordance with sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in the office of the Broward County Attorney at 115 S. Andrews Avenue, Suite 423, Fort Lauderdale, Florida 33301-1872. Petitions filed by the permit applicant or any of the parties listed below must be filed within fourteen days of receipt of this modification. A petitioner must mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition (or a request for mediation, as discussed below) within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-5.207, F.A.C.

A petition must contain the following information:

- (a) The name, address, and telephone number of each petitioner, the applicant's name and address, the Permit File Number, and the county in which the project is proposed;
- (b) A statement of how and when each petitioner received notice of the PPD's action or proposed action;
- (c) A statement of how each petitioner's substantial interests are affected by the PPD's action or proposed action;
- (d) A statement of the material facts disputed by the petitioner, if any;
- (e) A statement of the facts that the petitioner contends warrant reversal or modification of the
- (f) PPD's action or proposed action;
- (g) A statement identifying the rules or statutes that the petitioner contends require reversal or modification of the PPD's action or proposed action; and
- (h) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wants the PPD's to take with respect to the action or proposed action addressed in this modification.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the PPD's final action may be different from the position taken in this modification. Persons whose substantial interests will be affected by any such final decision of the PPD on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this action.

In addition to the above, a person subject to regulation has a right to apply for a variance from or waiver of the requirements of particular rules, on certain conditions, from the Florida Department of Environmental Protection (the Department) under section 120.542, F.S. The relief provided by this state statute applies only to state rules, not statutes, and not to any federal regulatory requirements. Applying for a variance or waiver does not substitute or extend the time for filing a petition for an administrative hearing or exercising any other right that a person may have in relation to the action proposed in this modification.

The application for a variance or waiver is made by filing a petition with the Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000. The petition must specify the following information:

- (a) The name, address, and telephone number of the petitioner;
- (b) The name, address, and telephone number of the attorney or qualified representative of the petitioner, if any;
- (c) Each rule or portion of a rule from which a variance or waiver is requested;
- (d) The citation to the statute underlying (implemented by) the rule identified in (c) above;
- (e) The type of action requested;
- (f) The specific facts that would justify a variance or waiver for the petitioner;
- (g) The reason why the variance or waiver would serve the purposes of the underlying statute (implemented by the rule); and
- (h) A statement whether the variance or waiver is permanent or temporary and, if temporary, a statement of the dates showing the duration of the variance or waiver requested.
