RE: Construction Permit Extension For TRANSFLO Terminal Services, Inc., Jacksonville, Florida Operations, FDEP Facility Id. 0310325, Permit Number 0310325-005-AC, and Notification of Change of Address

Dear Mr. Robinson:

This letter serves as a request for extension of the term of the above referenced construction permit. This request is submitted on behalf of our client, TRANSFLO Terminal Services, Inc. (TRANSFLO). This construction permit currently expires on March 31, 2011. A one year extension until March 31, 2012 is requested. This additional time will provide for the installation of solid material transloading conveyors identified as Emission Units (EU) 007 and 008. The schedule for these two units was extended due to economic conditions which has delayed anticipated new business that would utilize the additional conveyors. A check for \$50 is enclosed for the administrative fee associated with this request.

This letter also serves as notification that the physical address of the facility has changed. This change is administrative as the facility remains in the same location, as only the address was changed. The new address is 3796 Warrington Street, Jacksonville, Florida 32254. We request that you update your records accordingly. The mailing address for the facility remains the same, namely the 6735 Southpoint Drive S., Jacksonville, Florida, 32216 address.

City of Jacksonville
Mr. Richard Robinson

Should you have any questions on this permit extension request, please contact Mitchell Hait at (904) 494-4200 or by e-mail at haitinc@gmail.com, or Ms. Lisa Wiedemann of TRANSFLO at (904) 279-6337 or by e-mail at lwiedemann@transflo.net. On behalf of TRANSFLO, we appreciate your prompt processing of this extension request.

Sincerely,

Mitchell J. Hait, P.E., Ph.D.
Principal / Senior Engineer
