Dear Mr. Hebert:

This is in response to the letter from D. R. Collins dated January 15, 1997 requesting changes in the operating permit for boilers 5 and 6 at your Pensacola facility.

By this letter, C. E. Boilers No. 5 and No. 6 Air Operating Permit Number: AO17-219432, source I.D. Numbers 10PEN17004015 and 016 shall be amended as follows:

**Addition "C" to Specific Condition 3:**

C. Visible emissions compliance testing required under specific condition 3B need not be repeated if such a test has already been successfully conducted during the current Federal Fiscal Year (September 30 - October 1).

All other permit conditions remain in effect. This letter shall be attached to, and become a part of, air operating permit AO17-219432.

Sincerely,

/signed/
