Re: 0570160-017-AC
 Air Construction Permit
 Operational Modifications to Can Line Nos. 1, 2 & 3

Dear Mr. Myers:

On March 02, 2016, you submitted an application for an air construction permit to authorize modifications to the modes of operation of the can lines, remove the can production limit and establish the facility as a minor source of PSD. This permit is being issued concurrently with Title V Permit No. 0570160-018-AV. Permit No. 0570160-018-AV includes the combined public notice for both permits. This facility is located in Hillsborough County at 4700 Whiteway Drive, Tampa, Florida.

After review of the application, the following documents have been prepared: the Technical Evaluation and Preliminary Determination; the Draft Permit; the Written Notice of Intent to Issue Air Permit; and the combined Public Notice of Intent to Issue Air Permit. The combined Public Notice of Intent to Issue Air Permit is the actual notice that you must publish in the legal advertisement section of a newspaper of general circulation in the area affected by this project. If you have any questions, please contact Diana M. Lee, P.E. at 813-627-2600 x1276, or by e-mail at lee@epchc.org.

Sincerely,

Janet L. Dougherty
Executive Director
