Dear Mr. Shouppe:

This letter is in response to a letter dated February 28, 1997 from Leon Noble and Kathy Sloan, requesting a minor modification in the operating permit for your Marianna, Florida facility.

It is our understanding from the letter and accompanying calculations that the requested annual operating rate will result in a total annual emissions of 1.17 Tons per Year.

By this letter, air operating permit 0630046002AO for your Dolomite Processing Plant, AIRS I.D. Number 06300046, shall be modified as follows.

Air Permit Number 0630046002AO is changed to 0630046-003-AO.

Specific Condition 2, From:

2. The maximum allowable operating rate is 250 tons of dolomite processed per hour. This is the operating rate at which compliance with standards shall be demonstrated. However, annual production is limited to 150,000 TPY. The permittee shall maintain production logs which shall be made available to Department inspectors upon request. [FAC Rule 62-4.070]
