PROJECT

Air Permit No. 0830102-006-AC
Minor Source Air Construction Permit
Cameron Florida (#538)

This is the final air construction permit, which lowers emissions limits and establishes this facility as a minor source. This facility is currently not in service and placed in long-term reserve shutdown effective 12/31/2008.

NOTICE AND PUBLICATION

The Department distributed a draft minor source air construction permit package on July 17, 2012. The applicant published the Public Notice in the Ocala Star-Banner on July 26, 2012. The Department received the proof of publication on July 31, 2012. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

No comments on the Draft Permit were received from the public, the Department's Central District Office, the EPA Region 4 Office or the applicant.

CONCLUSION

The final action is to issue the permit with the minor changes, corrections and clarifications, if any, as described above.
