RE: Air Permit 0910045-004-AF Renewal
Compliance Plan Status Update

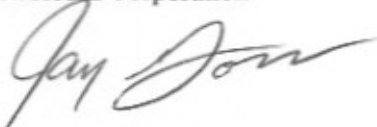

Dear Mr. White:

Per a request by Ms. Angelia Jackson, CITGO is providing this update to the status of its activities under the Compliance Plan detailed in Appendix CP-1 of the current air permit.

CITGO has previously notified the Department on 09/22/03 that all equipment specified under the compliance plan has been installed on storage tank 5. CITGO will be installing the gasketed covers on the slotted guidepole in storage tank 4 during its next out of service period which remains scheduled for calendar year 2009. All other specified equipment on storage tank 4 has already been installed.

Please feel free to contact me at (770) 455-6964 if you have any questions or comments regarding this notification.

Sincerely,
CITGO Petroleum Corporation

Jay Goss
Terminal Manager
