Your application for this project has been received and reviewed by this office. The following items are needed from the **professional engineer** to complete the application.

- 1) Relative to permit specific conditions 2.a) and 2.c), please clarify the requested annual production rates that correspond to the requested hourly rates for the potato chip fryer and the product cooler and clarify the requested maximum hourly process rates per permit specific condition 8. Also clarify whether these multiple rates could be simplified or consolidated in some way.

Pursuant to Rule 62-4.055, the applicant shall have ninety days after the Department mails a timely request for additional information to submit that information to the Department. If an applicant requires more than ninety days in which to respond to a request for additional information, the applicant may notify the Department in writing of the circumstances, at which time the application shall be held in active status for one additional period of up to ninety days. Additional extensions shall be granted for good cause shown by the applicant. A showing that the applicant is making a diligent effort to obtain the requested additional information shall constitute good cause. Failure of an applicant to provide the timely requested information by the applicable deadline shall result in denial of the application.

If you have any questions regarding this letter, please fax me at 407.897.5963 or write to me at the above address.

Sincerely,

Alan Zahn
