Your application for this project have been received and reviewed for completeness. The following item is needed to complete your application.

- 1) Can Emission Unit No. 4 (The Terminal Shops and Standby Generators) be considered exempt from air permitting under Rule 62-210.300(3)(a)20., F.A.C.?

Pursuant to Rule 62-4.055, F.A.C., the applicant shall have 90 days after the Department mails a timely request for additional information to submit that information to the Department. If an applicant requires more than ninety days in which to respond to a request for additional information, the applicant may notify the Department in writing of the circumstances, at which time the application shall be held in active status for one additional period of up to 90 days. Additional extensions shall be granted for good cause shown by the applicant. A showing that the applicant is making a diligent effort to obtain the requested additional information shall constitute good cause. Failure of an applicant to provide the timely requested information by the applicable deadline shall result in denial of the application. If you have any questions, please fax Jeffrey Rustin, P.E. at 407/897-5963 or write to him at the above address.

Sincerely,

Alan D. Zahm, P.E.
