ADDRESS: One Airport Blvd., Orlando, FL 32827-4399

Your application for this project have been received and reviewed for completeness. The following items are needed to complete your application.

- 1) Please submit recent visible emission testing results for the solid waste combustor pursuant to specific condition number 9 of the existing air operation permit.

The Department grants a time extension to the applicant of 55 additional days from the previous due date of March 29, 2006 in order to complete all needed repairs, stack testing, and stack testing data submittal successfully. The new (revised) due date is May 23, 2006.

Pursuant to Rule 62-4.055, F.A.C., the applicant shall have 90 days after the Department mails a timely request for additional information to submit that information to the Department. If an applicant requires more than ninety days in which to respond to a request for additional information, the applicant may notify the Department in writing of the circumstances, at which time the application shall be held in active status for one additional period of up to 90 days. Additional extensions shall be granted for good cause shown by the applicant. A showing that the applicant is making a diligent effort to obtain the requested additional information shall constitute good cause. Failure of an applicant to provide the timely requested information by the applicable deadline shall result in denial of the application. If you have any questions, please fax Jeffrey Rustin, P.E. at 407/897-5963 or write to him at the above address.

Sincerely,

Alan D. Zahn, P.E.
