Re: Responsible Official Notification for Title V

University of Florida Cogeneration Facility

Facility ID No: 0010001

Alachua County ARMS Update: 9/1/11

Dear Mr. Accardo,

This letter is intended to amend the list of "responsible officials" for the Title V air permit for the Florida Power Corporation (d/b/a Progress Energy Florida, Inc.) University of Florida Cogeneration Facility (UF Cogen). The Florida Department of Environmental Protection form 62-213.900(8) to identify responsible officials is enclosed. It has come to my attention that there are several individuals that are identified as alternate responsible officials in the Division of Air Resource Management's ARMS database that are no longer associated with the operation of the UF Cogen and include the following individuals:

NAME	DEP ARMS Database Facility Party Role
ERNIE L. BASS	RESPONSIBLE OFFICIAL (TITLE V)
ERIC GRANT	RESPONSIBLE OFFICIAL (TITLE V)

Please ensure that only the individuals listed on the enclosed DEP Form are the only active primary and alternative responsible officials for the UF Cogen identified in the ARMS database. In addition, please change the legal name of the owner/operator of this facility to Florida Power Corporation d/b/a Progress Energy Florida, Inc.
