**REQUEST FOR EXTENSION OF TIME**

By and through undersigned counsel, City of Gainesville, Gainesville Regional Utilities (GRU) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time to and including September 24, 1999, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, GRU states the following:

1. On or about June 18, 1999, GRU received from the Department of Environmental Protection (Department) an "Intent to Issue Title V Air Operation Permit" (Draft Permit No. 0010006-001-AV) for the GRU Deerhaven Generating Station located in Alachua County, Florida.
2. The Department's issued an order dated July 20, 1999 granting an extension of time until September 1, 1999.
3. Based on GRU's review, the draft permit and associated documents contain several provisions that warrant clarification or correction.

4. This request is filed simply as a protective measure to avoid waiver of GRU's right to challenge certain conditions contained in the draft Title V permit. Grant of this request will not prejudice either party, but will further their mutual interest and hopefully avoid the need to file a petition and proceed to a formal administrative hearing.

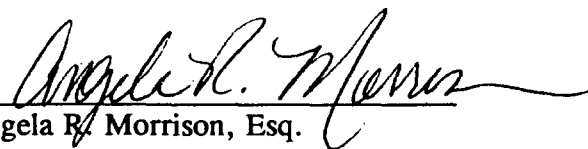

5. Counsel for GRU has discussed this request for an extension until September 24, 1999 with Scott Goorland of the Department's Office of General Counsel and he has no objection.

WHEREFORE, GRU respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Title V Air Operation Permit for Draft Permit No. 0010006-001-AV be formally extended to and including September 24, 1999. If this request is denied, GRU requests 10 days from the date of denial to file a petition, if necessary.

Respectfully submitted this 27<sup>th</sup> day of August, 1999.
