RE: Notification of completion (and commencement of operation) of SNCR ammonia-supply system
Project No. 0010087-036-AC (originally 0010087-021-AC)
Facility 0010087; Florida Rock Industries, Inc.—Thompson S. Baker Cement Plant

Dear Mr. Koerner:

This letter is notification that construction of the SNCR ammonia-supply system was recently completed. We expect to receive the first shipment of aqueous ammonia this week and put the system into service by next week.

Please contact me at (352) 472-4722, ext. 121, if you have any questions.

Sincerely,
FLORIDA ROCK INDUSTRIES, INC.
