Dear Mr. Gray,

Your letter of January 19, 2001 was somewhat of a surprise, as the data you reported has not yet been made available to me or anyone in the company.

Until I receive the report from Koogler & Associates, I am unable to comment on your letter.

I will keep you advised.

Sincerely,

A handwritten signature in black ink that reads "Fred W. Cohrs". The signature is written in a cursive, flowing style.
