PUBLIC NOTICE OF INTENT TO ISSUE AIR PERMIT

Florida Department of Environmental Protection
Division of Air Resource Management,
Office of Permitting and Compliance
Draft Air Permit No. 0010087-052-AC
(PSD-FL 228E and PSD-FL-350C)
Argos Cement, LLC,
Argos Newberry Cement Plant
Alachua County, Florida

Applicant: The applicant for this project is Argos Cement, LLC. The applicant's authorized representative and mailing address is: Chris Horner, Plant Manager, Argos Cement, LLC, Argos Newberry Cement Plant, 4000 Northwest County Road (CR) 235, Newberry, Florida 32669.

Facility Location: Argos Cement, LLC operates the existing Argos Newberry Cement Plant, which is located in Alachua County at 4000 Northwest CR 235 in Newberry, Florida.

Project: The Argos Newberry Cement Plant is a Portland cement plant and associated quarry, and raw material and cement handling operations. The plant combines raw materials and utilizes pre-heater/precalciner kilns with in-line raw mill to produce clinker. The clinker is milled and combined with gypsum to produce Portland cement. The facility consists of the following major activities: raw material handling and storage; raw mill systems; kiln systems clinker handling; finish grinding operations; cement handling, loading, and bagging operations; and coal handling and grinding operations.

Clinker Handling Line 1 (EU 004) includes the clinker cooler discharge and breaker conveyor, clinker silos and a clinker cooler. Clinker Handling Line 2 (EU 011) includes the clinker cooler discharge, two silos, clinker transport and a clinker cooler. To control emission of particulate matter, the silos are equipped with baghouses and the clinker coolers are currently equipped with electrostatic precipitators. Argos Newberry Cement Plant is requesting to replace the existing electrostatic precipitators with fabric filter, pulse-jet baghouses. Clinker Handling Lines 1 and 2 clinker coolers remain subject to all existing emission standards. The replacement of the existing electrostatic precipitators with baghouses will not increase the annual emissions of particulate matter.

Permitting Authority: Applications for air construction permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.) and Chapters 62-4, 62-210 and 62-212 of the Florida Administrative Code (F.A.C.). The proposed project is not exempt from air permitting requirements and an air permit is required to perform the proposed work. The Permitting Authority responsible for making a permit determination for this project is the Office of Permitting and Compliance in the Department of Environmental Protection's Division of Air Resource Management. The Permitting Authority's physical address is: 2600 Blair Stone Road, Tallahassee, Florida. The Permitting Authority's mailing address is: 2600 Blair Stone Road, MS #5505, Tallahassee, Florida 32399-2400. The Permitting Authority's phone number is 850-717-9000.

Project File: A complete project file is available for public inspection during the

0001

normal business hours (8:00 a.m. to 5:00 p.m., except legal holidays). Address indicates location of the Permitting Authority. The application includes the Draft Air Permit, the application fee, and the application fee receipt (F.S.). Interest in this application may be expressed by contacting the Permitting Authority at the phone number listed above or by e-mail at permits@dep.state.fl.us. The Permitting Authority will accept written comments on the proposed Draft Air Permit for an action under Section 403.05, F.S., or unless published in the Florida Register. Comments must be received by the Permitting Authority within 14 days of the date of publication of this notice. Comments received by the Permitting Authority after the close of business on the last day of the 14-day period will be considered late and will not be considered for the proposed Draft Air Permit. Comments received by the Permitting Authority after the close of business on the last day of the 14-day period will be considered late and will not be considered for the proposed Draft Air Permit. Comments received by the Permitting Authority after the close of business on the last day of the 14-day period will be considered late and will not be considered for the proposed Draft Air Permit.

Notice of Intent to Issue Air Permit: The Permitting Authority will accept written comments on the proposed Draft Air Permit for an action under Section 403.05, F.S., or unless published in the Florida Register. Comments must be received by the Permitting Authority within 14 days of the date of publication of this notice. Comments received by the Permitting Authority after the close of business on the last day of the 14-day period will be considered late and will not be considered for the proposed Draft Air Permit. Comments received by the Permitting Authority after the close of business on the last day of the 14-day period will be considered late and will not be considered for the proposed Draft Air Permit. Comments received by the Permitting Authority after the close of business on the last day of the 14-day period will be considered late and will not be considered for the proposed Draft Air Permit.
