Section 120.569(2)(k), Florida Statutes

(k)1. Any person subject to a subpoena may, before compliance and on timely petition, request the presiding officer having jurisdiction of the dispute to invalidate the subpoena on the ground that it was not lawfully issued, is unreasonably broad in scope, or requires the production of irrelevant material.

2. A party may seek enforcement of a subpoena, order directing discovery, or order imposing sanctions issued under the authority of this chapter by filing a petition for enforcement in the circuit court of the judicial circuit in which the person failing to comply with the subpoena or order resides. A failure to comply with an order of the court shall result in a finding of contempt of court. However, no person shall be in contempt while a subpoena is being challenged under subparagraph 1. The court may award to the prevailing party all or part of the costs and attorney's fees incurred in obtaining the court order whenever the court determines that such an award should be granted under the Florida Rules of Civil Procedure.

3. Any public employee subpoenaed to appear at an agency proceeding shall be entitled to per diem and travel expenses at the same rate as that provided for state employees under s. 112.061 if travel away from such public employee's headquarters is required. All other witnesses appearing pursuant to a subpoena shall be paid such fees and mileage for their attendance as is provided in civil actions in circuit courts of this state. In the case of a public employee, such expenses shall be processed and paid in the manner provided for agency employee travel expense reimbursement, and in the case of a witness who is not a public employee, payment of such fees and expenses shall accompany the subpoena.

Rule 28-106.212, Florida Administrative Code

(1) Upon the request of any party, a presiding officer shall issue subpoenas for the attendance of witnesses for deposition or at the hearing. The requesting party shall specify whether the witness is also requested to bring documents.

Service shall be made by delivering a copy to the person named in the subpoena. Proof of service shall be made by affidavit of the person making service if not served by a person specified by law to serve process.

(3) Any motion to quash or limit the subpoena shall be filed with the presiding officer and shall state the grounds relied upon.
