Dear Applicant:

Our office has received the air pollution permit application that you submitted for the project described below:

Facility Owner/Company Name: GAINESVILLE RENEWABLE ENERGY CENTER, LLC

Site Name: GAINESVILLE RENEWABLE ENERGY CENTER

Project Name: AB214-MISC. CHANGES PSD-411A

Project Description: Request to incorporate the applicable requirements of the IB MACT rule as amended on January 31, 2013. The requested air construction permit revisions also address project design changes to the cooling tower and the sorbent used in the in-duct sorbent injection.

Application Project No: 0010131-002-AC

Application Received Date: 09/13/2013

Permit Application Processor: David Read

Permit Application Processor Phone: 850-717-9075

Permit Application Processor Email: [david.read@dep.state.fl.us](mailto:david.read@dep.state.fl.us)

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,
