Draft Permit No.

Smurfit-Stone, Container
Enterprises, Inc.
Panama City Mill
Bay County

Applicant: The applicant for this project is Smurfit-Stone Container Enterprises, Inc., Panama City Mill. The applicant's Responsible Official and Authorized Representative is: Mr. B. G. Sammons, General Manager, Smurfit-Stone Container Enterprises, Inc.

Facility Location: The applicant operates the existing Panama City Mill, which is located at One Everitt Avenue, Panama City, Bay County.

Project: The Panama City Mill operates several existing emissions units potentially subject to Rule 62-296.340, Florida Administrative Code (F.A.C.), which requires a review for the Best Available Retrofit Technology (BART). However, the applicant proposes a new emissions standard of 690 pounds per hour of sulfur dioxide from the No. 4 combination boiler with compliance demonstrated by continuous emissions monitor. An air quality modeling analysis of the BART-eligible units indicates a maximum visibility impairment of 0.498 deciviews to the nearest Class I area (St. Marks National Wilderness Area). This is less than the regulatory threshold of 0.5 deciviews, which exempts the facility from BART review.

Permitting Authority: Applications for air construction permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.) and Chapters 62-4, 62-210, and 62-212 of the Florida Administrative Code (F.A.C.). The proposed project is not exempt from air permitting requirements and an air permit is required to perform the proposed work. The Florida Department of Environmental Protection's Bureau of Air Regulation is the Permitting Authority responsible for making a permit determination for this project. The Permitting Authority's physical address is 1111 South Magnolia Drive, Suite 4, Tallahassee, Florida 32301; and the mailing address is 2600 Blair Stone

Under Section 120.60(3), F.S., however, any person who asked the Permitting Authority for notice of agency action may file a petition within 14 days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.
