Dear Mr. Harp:

RE: 2012 CLEAN AIR INTERSTATE RULE (CAIR) CERTIFICATIONS  
CRIST ELECTRIC GENERATING PLANT (Title V No: 0330045-035-AV)  
SCHOLZ ELECTRIC GENERATING PLANT (Title V No: 06330014-012-AV)  
LANSING SMITH ELECTRIC GENERATING PLANT (Title V No: 0050014-022-AV)  
ORIS CODES: 641, 642, 643

Attached, please find the CAIR Certification Compliance Report for the Crist Electric Generating Plant (ORIS Code 641), Scholz Electric Generating Plant (ORIS Code 642) and Lansing Smith Electric Generating Plant (ORIS Code 643) for year 2012. As outlined in the Title V Air Permit for each plant, this document is being copied to the Division of Air Resources Management of the Florida Department of Environmental Protection, Tallahassee, Florida and to EPA Region IV. Please note that the above referenced reports were submitted electronically for 2012 as outlined in EPA's CAMD Business System. If you have questions regarding the electronic submission, please contact Kenon Smith at EPA Washington Headquarters at (202)-343-9164.

If you have any questions or need further information regarding the CAIR Annual Certification Compliance Report for the Gulf Power Company please call me at (850) 444.6527.

Sincerely,
