88229 PUBLIC NOTICE OF INTENT TO ISSUE AIR PERMIT

Florida Department of Environmental Protection Division of Air Resource Management, Office of Permitting and Compliance Draft Federally Enforceable State Operation Permit Project No. 0050077-008-AF Glasstream, Inc., Glasstream Boat Manufacturing Bay County, Florida

Applicant: The applicant for this project is Glasstream, Inc. The applicant's authorized representative and mailing address is: Kruis Retherford, President, Glasstream, Inc., Glasstream Boat Manufacturing, 1143 East 15th Street, Panama City, Florida 32405-6103.

Facility Location: Glasstream, Inc. operates the existing Glasstream Boat Manufacturing facility, which is located in Bay County at 1143 East 15th Street in Panama City, Florida.

Project: The project reclassifies the existing facility as a minor source of hazardous air pollutants and rescinds Title V air operation Permit No. 0050077-007-AV. Maximum actual emissions of volatile organic compounds have historically not exceeded 7 tons per year. Actual emissions from the existing facility are not expected to change as a result of this project; however, the draft permit restricts annual emissions from the fiberglass boat manufacturing operation to less than 10 tons per year of any single hazardous air pollutant, 25 tons per year of all combined hazardous air pollutants, and 100 tons per year of volatile organic compounds. Therefore, the facility will not be considered a Title V major source of air pollution.

Permitting Authority: Applications for federally enforceable state operation permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.) and Chapters 62-4, 62-210, and 62-212 of the Florida Administrative Code (F.A.C.). If written comments received result in a significant change to the Draft Permit, the Permitting Authority shall revise the Draft Permit and require, if applicable, another Public Notice. All comments filed will be made available for public inspection.

Petitions: A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.
