Barbara - Attached are signed initial Title V permit documents for the above referenced facility. Please clerk and issue.

Jeff – A minor comment was submitted by the applicant. The comment was addressed in the final determination. It did not result in any changes to the draft/proposed permit. TTP for the project was 51 days and TIH was 107 days.

Ed – Please replace all the word documents in your folder with the ones attached with this email.

Thanks,
Syed
