Tom:

Following is a copy of the correspondence relating to the Certificate of Representation submitted for Reliant Energy Indian River, L.L.C. in April. As I mentioned, I believe that the Title V permit alteration request addresses the split in the Acid Rain Permit. However, if this issue is not appropriately addressed by the application, please let me know so that we can arrange to correct the situation.

Please give me a call if you have any questions.

Thanks,  
Jason
