Subject: Wheelabrator North Broward
MACT Hammer Part 112 (j) **Part 1 Application Information**

Dear Ms. Phillip:

As specified in the letter from Mr. Scott M. Sheplak, received on April 11, 2002, the required information is in the attached form, including the facility's information for our Reciprocating Internal Combustion Engines although we do not believe that these types of Internal Combustion engines will be subject to the MACT standards based on the reading of EPA's current applicability guidance.

If there are any questions, please contact this office at (954) 971-8701.

Sincerely,

Paul Grego
Plant Manager

Re: 112(j) Notification Information Submittal

Dear Mr. Grego:

Thank you for submitting the referenced information in your letter dated May 9, 2002. Your information submittal appears to meet our current 112(j) requirements.

Please be aware that, although your letter refers to this information submittal as a "Part 1 MACT Application," the Department does not recognize your submittal as a state permit application and has no plans to process it as such.

No further 112(j) information is needed from you at this time.

If you have any questions, please call me at 850/921-9534.

Sincerely,

Cindy L. Phillips, P.E.
