SUBJ: Receipt of Additional Information Relative to the
Request to Co-fire Petcoke in Crystal River Units #1
and #2

Dear Mr. Kennedy:

This is to acknowledge receipt of additional information transmitted to the U. S. Environmental Protection Agency (EPA) Region 4 and the Florida Department of Environmental Protection (FDEP) via letters dated February 18, 1997, from Jeffrey Pardue to Douglas Neeley, and February 28, 1997, from James Alves to Douglas Neeley. We will continue to provide any assistance requested by FDEP in the review of this material. FDEP, as the permitting authority with a federally approved program, has the primary responsibility for interpreting their regulations. Consequently, any evaluation of the materials will be provided directly to FDEP.

Thank you for providing additional information on the issue. If you have any questions, please contact Mr. Brian Beals at (404) 562-9098 or Mr. Gregg Worley at (404) 562-9141.

Sincerely yours,

R. Douglas Neeley
Chief
Air & Radiation Technology
Branch
Air, Pesticides, and Toxics
Management Division
