Dear Mr. Fancy:

Re: Processing Fee for Request for Approval of Petroleum Coke Trial Burn

In a letter dated June 3, 1994, Florida Power Corporation (FPC) requested an operation permit amendment to allow a trial burn of petroleum coke at either Crystal River Unit 1 (permit no. AO09-169341) or Unit 2 (permit no. AO09-191820). FPC submits the enclosed fee payment of \$250.00 for the processing of the permit amendment application.

Please contact me at (813) 866-4344 if you have any questions.

Sincerely,
