Director, Environmental Services Department
Florida Power Corporation
263 13th Avenue South
St. Petersburg, Florida 33701-5511

FINAL Permit No.: 0170004-004-AV
Crystal River Plant

Enclosed is an ADMINISTRATIVELY CORRECTED page to the initial Title V operation permit, 0170004-004-AV for the operation of the Crystal River Plant located west of U.S. Highway 19, north of Crystal River, south of the Cross State Barge Canal, Citrus County. This correction is issued pursuant to Rule 62-210.360, Florida Administrative Code and Chapter 403, Florida Statutes (F.S.). This change is made at the applicant's request dated February 2, 2000, to restore language to Specific Condition A.8., which was incorrectly removed in response to addressing an EPA objection issue. This corrective action does not alter the effective date of the existing permit.

Any party to this order (permit) has the right to seek judicial review of the permit pursuant to Section 120.68, F.S., by the filing of a Notice of Appeal pursuant to Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Legal Office; and, by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 (thirty) days from the date this Notice is filed with the Clerk of the Department.

Executed in Tallahassee, Florida.
