**Re: FPL Turkey Point Nuclear Plant
Title V Air Operation Permit No. 0250003-015-AC
Request for Extension of Construction Permit**

Dear Mr. Koerner,

Florida Power & Light Company (FPL) is requesting the extension of the air construction permit #0250003-015-AC for the duration of one (1) year beginning July 1, 2012 (the expiration date of the existing air construction permit). #0250003-015-AC is the final air construction permit, which authorizes replacement of two emergency diesel engines for instrument air compressors at the facility.

Thank you for your consideration in this matter, and if you need additional clarification information, please do not hesitate to contact Mary Archer at 561-691-7057 or email mary.archer@fpl.com.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. LaBauve', is written over a horizontal line.
