**REQUEST FOR ENLARGEMENT OF TIME**

By and through undersigned counsel, Florida Power & Light Company (FPL) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time, to and including June 23, 2008, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, FPL states the following:

1. On or about May 23, 2008, FPL received from the Department of Environmental Protection ("Department") a "Written Notice of Intent to Issue Air Permit" and accompanying "Draft Permit" (Air Permit No. 0250003-008-AC), for FPL's Turkey Point Fossil Plant, which is located at 9700 SW 344<sup>th</sup> Street, Homestead, Miami-Dade County, Florida.

2. Based on FPL's initial review, the Draft Permit and associated documents contain several provisions that warrant clarification or correction.

3. Representatives of FPL and the Department are in the process of discussing possible resolutions to the issues needing clarification or correction.

4. This request is filed simply as a protective measure to avoid waiver of FPL's right to challenge certain conditions contained in the Draft Permit. Grant of this request will not prejudice either party, but will further their mutual interest and hopefully avoid the need to file a Petition and proceed to a formal administrative hearing.

WHEREFORE, FPL respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Air Permit No.0250003-008-AC be formally extended to and including June 23, 2008.

RESPECTFULLY SUBMITTED this 5th day of June, 2008.
