Mr. James S. Jenkins III  
Vice President of Cement Operations  
Rinker Materials Corporation  
1200 Northwest 137th Avenue

Re: DRAFT Permit Modification No. 0250014-006-AC  
Modernization Project, Revisions of Permit Conditions

Dear Mr. Jenkins:

The Department received correspondence faxed to us by your consultant late in the afternoon on November 25, 1998. Because State offices were closed for the Thanksgiving Day Weekend, we did not see the comments until November 30. We were required to act on your request by November 30 based on a waiver to the statutory processing time provided by Rinker. Therefore we were unable to consider the comments by the time we had completed our review and submitted it for approval. Actually, we had expected additional information from Rinker well before this time as discussed during our meeting with your representatives on October 27.

We will consider these comments in addition to any other comments submitted by Rinker during the standard comment period as described in the Intent package we sent you mailed earlier today. If you have any questions regarding this matter, please contact me or Ms. Teresa Heron at 850/488-0114.

Sincerely,

A. A. Linero, P.E. Administrator
