RE: Expiration Date for CEMEX's Title V Permit No. 0250014-018-AV

Dear Mr. Pennarola:

Per your request, this letter serves as confirmation that the Title V permit renewal application for CEMEX's Miami Cement Plant was submitted prior to the due date of March 18, 2010. Pursuant to the provisions of Rule 62-4.090, Florida Administrative Code (F.A.C.), when applicants submit renewal applications in a timely and sufficient manner (as defined for Title V permit applications in Rule 62-213.420(1)(a)2., F.A.C.), the existing permit shall remain in effect until the renewal application has been finally acted upon by the Department.

Pursuant to the provisions of these rules, CEMEX shall continue to operate the Miami Cement Plant under the provisions and requirements of permit No. 0250014-018-AV (as revised by 0250014-028-AV and 0250014-030-AV) until the current renewal permit No. 0250014-032-AV becomes a final permit.

Please do not hesitate to contact me if you should have further questions.

Sincerely,
