---

Dear Mr. Lopez:

Attached is the official **Notice of Application** for the project referenced above.

Permit project documents addressed in this email may require immediate action within a specified time frame. Please open and review the document(s) as soon as possible, and verify that they are accessible. Please advise this office of any changes to your e-mail address or that of the Engineer-of-Record. If you have any problems opening the documents or would like further information, please contact the Florida Department of Environmental Protection, Office of Permitting and Compliance.

Regards,

**Lynn Scearce**

Office of Permitting and Compliance (OPC)

Division of Air Resources Management

850-717-9025
