May 14, 2002

Dear Ms. Phillips,

This letter is to inform you that U.S. Foundry and Manufacturing Corp. could be subject to section 112(j) of the 1990 Clean Air Act. U.S Foundry has a Title V permit, permit number AO 0250022, our address is 8351 Northwest 93 Street, Medley Fl 33166. We are a gray **iron foundry** and might be subject to the MACT standard.

Items affected might be the following:
cupola and cupola baghouse
core room and core room scrubber
molding operation and baghouse

If you have any question you can call my technical specialist Doug Linne' at 305 364 8286.

Cordially yours,

Don Carpenter
General Manager
U.S. Foundry and Manufacturing Corp.
