RE: Extension of Construction Permit, Florida DEP File No. 0250281-007-AC, PSD-FL-248A,
John E. Preston Water Treatment Plant, 7th Standby Diesel Engine Generator and Water
Ozonation Systems

Dear Mr. Linero:

Miami-Dade Water & Sewer respectfully requests an extension of the referenced permit expiration date to June 23, 2004, five years from the date of original construction issuance, to finalize the design and contract documents for the water ozonation system. The installation of the 7th standby generator was completed on January 10, 2002.

As the designated Responsible Official of this facility, I certify this request to be true, accurate, and complete based upon information and belief formed after reasonable inquiry. Please contact me at (786) 552-8112 or Mr. Richard M. O'Rourke, P.E. at (786) 552-8123 if there are any questions regarding this request.

Sincerely,

Jorge S. Rodriguez, P.E.
Assistant Director - Water

JSR/BMG/RMO/ro
