EXTENSION REQUEST

Dear Mr. Linero:

Golder Associates Inc. (Golder), on behalf of Nailite International is finalizing the operation permit application for the above-referenced facility and will be submitting the application within the next two weeks. Since the facility is a Title V source, it is our understanding from our discussion with DERM that additional review time will be required to allow DEP and EPA time to comment on the application submitted to DERM. As such, Golder is hereby requesting an extension of 6 months would be considered appropriate. This request has been discussed with Ms. Muthiah of DERM and Mr. Reynolds of DEP.

Please call if you have any questions.

Sincerely,

GOLDER ASSOCIATES INC.
