Re: Jacksonville Brewery  
Coal-Fired Cogeneration Permit Application

Dear Clair:

Anheuser-Busch Companies, Inc. has re-evaluated the feasibility of installing a coal-fired cogeneration project at the Jacksonville brewery and has decided not to pursue this opportunity. Please return the permit application dated July 12, 1985 to my attention.

Your assistance in this matter is greatly appreciated.

Sincerely,

John V. Stier  
Supervisor  
Environmental Affairs
