Job Information Needed

Application Contact: Bert Gianazza

Professional Engineer of Record: Ken Kosky

The division requests that the application contact and/or professional engineer of record answer the following questions on job creation regarding the project.

- How many temporary construction jobs will be created? How long (months) will construction take?
- How many new permanent jobs will be created at the facility once the project is complete?
- How many new permanent local jobs will be created in the vicinity of the facility as a result of the project? What types of jobs will these be?

Please direct the job information to me.

Thanks.
