**Subject:** Public Notices for JEA's Northside and Kennedy Generating Stations: 0310045-008-AV and 0310047-011-AV, respectively.

1/15/2001

Dear Bert,

Enjoyed talking to you this morning. Per your request, I have attached the Intent packages for the above referenced permitting projects. The Public Notices are at the end of the documents. Let me know if there are any problems with the e-mail. Please have the paper representatives send us the affidavits for the publications when completed. Take care.

Bruce Mitchell
