

THE STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION

RECEIVED

DEC 22 2009

BUREAU OF AIR REGULATION

In the Matter of a Draft/Proposed
Title V Air Operation Permit Revision:

JEA
21 West Church Street
Jacksonville, FL 32202

Kennedy Generating Station
Permit No. 0310047-020-AV
Duval County

REQUEST FOR EXTENSION OF TIME

By and through undersigned counsel, JEA hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an extension of time to and including January 25, 2010, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, JEA states the following:

1. On or about December 9, 2009, JEA received from the Department of Environmental Protection (Department) a Draft/Proposed Title V Air Operation Permit Revision, Permit No. 0310047-020-AV, for the Kennedy Generating Station located in Duval County, Florida.

2. The Draft/Proposed Air Operation Permit Revision contains several provisions that warrant clarification or correction.

3. Representatives of JEA will correspond and communicate with staff of the Department's Bureau of Air Regulation in an effort to resolve all issues. Additional time is needed for these discussions and to reach a resolution of the pending issues.

4. This request is filed simply as a protective measure to avoid waiver of JEA's right to challenge certain conditions contained in the Draft/Proposed Title V Air Operation Permit Revision. Grant of this request will not prejudice either party, but will further their mutual

interest and likely avoid the need to file a petition and proceed to a formal administrative hearing.

5. JEA representatives have attempted to discuss this extension request with Ronni Moore with the Department's Office of General Counsel and the Department.

WHEREFORE, JEA respectfully requests that the time for filing a Petition for Administrative Proceedings with regard to the above-referenced Draft/Proposed Title V Air Operation Permit Revision (Permit No. 0310047-020-AV) be formally extended to and including January 25, 2010. If the Department denies this request, JEA requests the opportunity to file a Petition for Administrative Proceedings within 10 days of such denial.

Respectfully submitted this 22nd day of December, 2009.
