Subject: Letter of Authorization

ELECTRIC

WATER

SEWER

As a result of organizational changes within JEA, it is now appropriate for the following individuals to be authorized representatives in matters regarding permitting and compliance related activities:

Jacqueline L. Bennett, C.E.P., Director, Assessments & Permitting  
Kevin E. Holbrooks, Director, Compliance  
Paul K. Steinbrecher, P.E., Director, Regulatory Conformance  
John W. Kuhn, Director, Laboratory Services

Within the organization, the individuals holding these positions have significant responsibility for environmental matters and, as such, are delegated high level decision making for the company. Please be advised that, as authorized representatives, these individuals may sign documents submitted for various environmental programs including necessary permits as well as reports required from regulatory authorities in the areas such as, air, water, power plant and transmission line certifications, industrial pretreatment and hazardous and solid materials issues.

Should you have any questions regarding this letter of authorization, please contact me at (904)665-6248.

Very truly yours,

Susan N. Hughes, P.E.  
Vice President, Environmental Services
