Dear Mr. Wortley:

The Department is in receipt of your letter dated March 4, 1997, regarding the above mentioned facility. In your letter you are requesting a certification of emission credits for your Jacksonville facility which ceased operations on November 27, 1996.

The Florida Department of Environmental Protection does not, at this time, certify emission credits for facilities that cease operation in the State.

If you have any questions on this matter, please call me at 904/488-1344.

Sincerely,

A. A. Linero, P.E.
